

Health Services Research: Evidence-based practice

www.health-services-research.com/conference

1-3 July 2014
King's College London, UK

Program

#HSRConf2014

 **BioMed Central**
The Open Access Publisher

 **BMC**
Health Services Research

 **C/E** COST EFFECTIVENESS AND
RESOURCE ALLOCATION

 **HEALTH RESEARCH POLICY
AND SYSTEMS**

 **HUMAN RESOURCES
FOR HEALTH**

 **IMPLEMENTATION SCIENCE**

CONFERENCE PROGRAM

DAY ONE: TUESDAY 1 JULY 2014

- 11:30 Registration
14:00 Welcome remarks by the organizers

Keynote Speakers. Chair: Dina Balabanova

- 14:15 **Making research and evaluation more relevant and useful in the real world: favoured solutions and uncomfortable realities**
Nicholas Mays, London School of Hygiene & Tropical Medicine, UK
- 15:00 **Evidence informed policy and practice: a global perspective**
Göran Tomson, Karolinska Institutet, Stockholm, Sweden
- 15:45 Coffee break

Session 1: Health Systems I. Chair: Dina Balabanova

- 16:15 **Health system challenges in implementing universal health coverage: Asian perspectives and experiences**
Tikki Pang, National University of Singapore, Singapore
- 16:45 **Health systems: the challenge of adapting and responding to the accelerating health transition in low income countries.**
Don de Savigny, Swiss Tropical and Public Health Institute, Basel, Switzerland
- 17:15 **Selected talk - Contextual influences on the role of evidence in health policy development: insights from India and Nigeria**
Tolib Mirzoev, University of Leeds, Leeds, UK
- 17:30 **Selected talk – Best practice integrated primary/secondary health care governance - applying evidence to Australia's health reform agenda**
Caroline Nicholson, University of Queensland & Mater Health Services, Australia
- 17:45 **Selected panel discussion - The challenges of translating evidence into policy and practice for maternal and newborn health in Ethiopia, Nigeria and India**
Chair: Joanna Schellenberg, London School of Hygiene & Tropical Medicine, UK
Meenakshi Gautham, IDEAS Country Coordinator, India, LSHTM, UK
Della Berhanu, IDEAS Country Coordinator, Ethiopia, LSHTM, UK
Nasir Umar, IDEAS Country Coordinator, Nigeria, LSHTM, UK
Amit Ghosh, Mission Director, National Rural Health Mission, Lucknow, India
Noah Elias, Federal Ministry of Health, Addis Ababa, Ethiopia
- 18:00-19:30 **Poster Session 1 and Welcome Reception**

CONFERENCE PROGRAM

DAY 2: WEDNESDAY 2 JULY 2014

Session 2: Implementation Science I. Chair: Anne Sales

- 08:30 **Characterization and analysis of guideline implementation tools (GIttools) reveals opportunities for improving health service planning, delivery and quality improvement**
Anna Gagliardi, University Health Network & University of Toronto, Canada
- 09:00 **Implementation science: understanding behaviour change and maintenance**
Susan Michie, University College London, UK
- 09:30 **Selected talk - Expanding the PARIHS framework: thinking more broadly about context and facilitation**
Robin Urquhart, Dalhousie University, Halifax, Canada
- 09:45 **Selected talk - Understanding the dynamics of patient systems of implementation: a mixed methods study**
Anne Rogers, University of Southampton, Southampton, UK
- 10:00 **Selected talk - Comparative case-study of implementation of a coordinated rehabilitation care pathway between municipalities and hospitals for stroke patients in the Central Denmark region**
Karla Douw, Centre for Public Health & Quality Improvement, Aarhus, Denmark
- 10:15 **Selected talk - Expansion of the Reducing Use of Sedatives (RedUSE) project to Australian nursing homes**
Juanita Westbury, University of Tasmania, Australia
- 10:30 **Coffee break**

Session 3: Health Economics I: Financing health care services: the contribution of Health Economics. Chair: Jeffrey Hoch

- 11:00 **Achieving the promise of universal health coverage - the role for strategic purchasing**
Kara Hanson, London School of Hygiene & Tropical Medicine, UK
- 11:20 **Using cost-effectiveness analysis to support decision making in resource poor settings: methods and practical challenges**
Mark Sculpher, University of York, UK
- 11:40 **Selected talk - Cost-effectiveness of public health interventions - a new methodological approach**
Inna Feldman, Uppsala University, Sweden
- 11:55 **Selected talk - Determinants of health insurance enrolment in Sudan: evidence from Health Utilisation and Expenditure Household Survey 2009**
Isam Baloul, University of Malaya, Kuala Lumpur, Malaysia
- 12:10 **Selected talk - Does the implementation of a new payment system for hospital services induce changes in the quality of health care? Experiences from Germany**
Bertram Haeussler, IGES Institut, Berlin, Germany
- 12:25 **Panel discussion**
- 12:45 **Lunch**

Session 4: Human Resources for Health I. Chair: Mario Roberto Dal Poz

- 13:45 **Right time, right place? New evidence on effective health workforce distribution and retention**
James Buchan, University of Technology, Sydney, Australia & Queen Margaret University, Edinburgh, UK
- 14:15 **Recruitment and retention of health professionals in the European Union: lessons from country experiences**
Gilles Dussault, Instituto de Higiene e Medicina Tropical, Lisbon, Portugal

CONFERENCE PROGRAM

- 14:45 **Selected talk - Non-EU migrant doctors in Ireland: applying a typology of health worker migration**
Niamh Humphries, Royal College of Surgeons in Ireland, Dublin, Ireland
- 15:00 **Selected talk - Financial incentives for human resources for health: What do we know? What do we do? The case of Sierra Leone**
Maria Paola Bertone, ReBUILD Consortium & London School of Hygiene and Tropical Medicine, London, UK
- 15:15 **Selected talk - Physical therapy counts: counting physical therapists worldwide**
Catherine Sykes, World Confederation for Physical Therapy, London, UK & University of Sydney, Australia
- 15:30 **Coffee break**

Session 5: Health Systems II. Chair: Tikki Pang

- 16:00 **Assessing health systems in low-resource settings: some conceptual and methodological dilemmas**
Dina Balabanova, London School of Hygiene & Tropical Medicine, UK
- 16:30 **The contribution of health systems research to HSR: time to know what we are talking about, and why it is important for evidence-based policy-making**
Reinhard Busse, Technische Universität Berlin & European Observatory on Health Systems and Policies, Germany
- 17:00 **Selected talk - Opt-out cervical cancer screening increases coverage of cervical cancer screening in HIV clinical care settings: experiences from Mildmay, Uganda**
Anne Nabukenya, Makerere University School of Public Health & Mildmay Uganda, Kampala, Uganda
- 17:15 **Selected talk - The real-world problem of care coordination: a longitudinal qualitative study with patients living with advanced progressive illness and their unpaid caregivers**
Barbara Daveson, Cicely Saunders Institute, King's College London, London, UK
- 17:30 **Selected talk - Effect of facilitation of local maternal-and-newborn stakeholder groups on neonatal mortality: a cluster randomised trial**
Lars Wallin, Dalarna University, Falun, Sweden
- 17:45-19:15 **Poster Session 2 with Pre-Dinner Drinks**
- 19:30-22:30 **Conference dinner**

DAY THREE: THURSDAY 3 JULY 2014

Session 6: Implementation Science II. Chair: Anna Gagliardi

- 08:30 **Social influences and their role in implementing evidence based practices**
Anne Sales, Department of Veterans Affairs & University of Michigan, Ann Arbor, USA
- 09:00 **Research impact: defining it, measuring it, maximising it, questioning it**
Trisha Greenhalgh, Barts and The London School of Medicine and Dentistry, London, UK
- 09:30 **Campaign for Real EBM**
Trisha Greenhalgh, Barts and The London School of Medicine and Dentistry, London, UK
- 09:45 **Selected talk - Expression of knowledge translation efforts: a website review of research, development, government and donor organizations and think tanks of eastern Mediterranean countries**
Sawsan Allam, American University of Beirut, Lebanon
- 10:00 **Selected talk - Novel programs, international adoptions, or contextual adaptations? Meta-analytical results from German and Swedish intervention research**
Henna Hasson, Karolinska Institutet, & Center for Epidemiology and Community Medicine, Stockholm, Sweden
- 10:15 **Coffee break**

CONFERENCE PROGRAM

Session 7: Human Resources for Health II. Chair: Gilles Dussault

- 10:45 **Governing health professional mobility in the European Union**
Matthias Wismar, European Observatory on Health Systems and Policies, Brussels, Belgium
- 11:15 **Building evidence on HRH programme implementation: assessment in 15 Latin American and Caribbean countries**
Mario Roberto Dal Poz, Universidade do Estado do Rio de Janeiro, Brazil
- 11:45 **Selected talk - MEPI: linking medical education and health systems strengthening through communities of practice**
Seble Frehywot, Health Policy & Global Health, Washington, DC, USA
- 12:00 **Selected talk - Can up-skilling non-physician clinicians (NPCs) make a difference to practice and help towards reductions in maternal and neonatal mortality, in Malawi? The ETATMBA Project**
David Ellard, The University of Warwick, Coventry, UK
- 12:15 **Selected talk - Competency of midwifery students at the level of graduation in Ethiopia: how well does pre-service education prepare midwives for practice?**
Tegbar Yigzaw, Jhpiego, Addis Ababa, Ethiopia
- 12:30 **Lunch and Poster Session 3**

Session 8: Health Economics II: the cost effectiveness threshold, disinvestment, and the economic evidence base. Chair: Jeffrey Hoch

- 14:15 **Enriching the evidence base: moving towards full societal costs and benefits**
Werner Brouwer, iBMG, Erasmus University Rotterdam, The Netherlands
- 14:35 **Improving the efficiency of cost-effectiveness analysis to inform policy decisions in the real world: lessons from the Pharmacoeconomics Research Unit at Cancer Care Ontario**
Jeffrey Hoch, St Michael's Hospital & University of Toronto, Canada
- 14:55 **Selected talk - Prioritisation of specialist health care services: going beyond the evidence**
Philip Webb, Welsh Health Specialised Commissioning Committee, Caerphilly, UK
- 15:10 **Selected talk - Professional experiences of accessing cancer drugs in the NHS: the introduction of the Cancer Drugs Fund, the individual versus the population**
Charlotte Chamberlain, School of Social and Community Medicine, University of Bristol, Bristol, UK
- 15:25 **Panel discussion: Chair: Jeffrey Hoch**

15:45-16:30 **Conference Panel Discussion: Chair: Gilles Dussault**

Anna Gagliardi, University Health Network & University of Toronto, Canada
 Dina Balabanova, London School of Hygiene and Tropical Medicine, UK
 Jeffrey Hoch, St Michael's Hospital & University of Toronto, Canada
 Mario Roberto Dal Poz, Universidade do Estado do Rio de Janeiro, Brazil
 Tikki Pang, National University of Singapore, Singapore
